main

Declare Variables
choice

Prompt for Input
Input the value of choice,
choice must be ≥ 1 && ≤ 3

choice=1

True

msg=
"We are in
Problem 1"

False

choice=2

True

msg=
"We are in
Problem 2"

False

choice=3

True

msg=
"We are in
Problem 3"

False

choice=other
character

True

msg=
"You are exiting the
program"

choice ≥ 1 &&
choice ≤ 3

False

Exit stage right
